Selectmen's Meeting

MARCH 5, 1985 - by VIRGINIA ARRAL

SELECTMEN RECEIVE REPORT ON AMERICAN CABLESYSTEMS

Selectmen last Tuesday received the first in a series of newsletters from American Cablesystems describing its activities this past year. The cable company has reached 60,000 subscribers in Marion, Mattapoisett and Wareham; renovated its offices on Route 6 in Marion; added three new services: The Disney Channel, New England Sports Network and The Nashville Network; and built a new community television studio.

Selectmen Chairman John DeCosta announced the board had received a check from the cable company in the amount of $756.00 in franchise fees for 1984. This amount represents 50 cents for each subscriber in Mattapoisett.

In the report it was noted that the Mattapoisett areas of Harbor Beach, Peases Point, Hollywoods, Brandt Island, Tinkhamtown, Mattapoisett Neck and Point Connett are now receiving cable television service.

Among its community service activities the company co-sponsored the Mattapoisett Road Race, established a scholarship at Old Rochester Regional High School and Wareham High School, furnished television coverage of several community events, participated in School to Work Transition Program.

In other business, Selectmen:

RECEIVED WORD from Tighe and Bond Engineers of a DEQE and Thompson Consultants reports that the existing waste water treatment facility at the Old Rochester Regional High School is in poor shape. It was their opinion that the existing facility is old and probably cannot be rehabilitated to provide effective long-term waste water treatment that can meet present day standards.

The report further stated that a complete replacement would have a "ballpark" project cost of $300,000. A connection from the

high school to the existing Mattapoisett collection system would cost approximately $800,000. The latter was recommended by the engineers.

RECEIVED A LETTER from Lois K. Ennis, Town Clerk, in which she informed the board of the serious problem concerning the keeping and storage of the Town's permanent records.

She related that the area of the existing vault that is available for use by her office is wholly inadequate and only the vital records, such as birth, deaths and marriages and Town Meeting records, are able to be safeguarded there. All other records of the Town are being retained in file cabinets within the area of the office and even these are not fireproof cabinets.

In Mrs. Ennis' concern, she noted that if the Town Hall should experience a fire, "I cannot stress enough the seriousness of the difficulties we would face with 90 percent of our permanent records destroyed because they are unprotected."

The Town Clerk said, "I would like to submit a request that, in the event the Police Station moves their quarters, that the area housing the control center, which also abuts my office, be considered for renovation as a vault for the Town Clerk's office. That area is constructed of concrete blocks and we would be well on our way toward satisfying the regulations set forth for vaults for the safekeeping of records."

She continued, "An adequate vault is a problem that must be addressed at some time in the near future. It would seem, should the Police Department move, that this would be an opportune time to take advantage of existing space, especially space that is already partially constructed of the required non-combustible materials." Mrs. Ennis asked the Board to consider this request as a capital expenditure for her department in preparing the annual budget. Selectmen

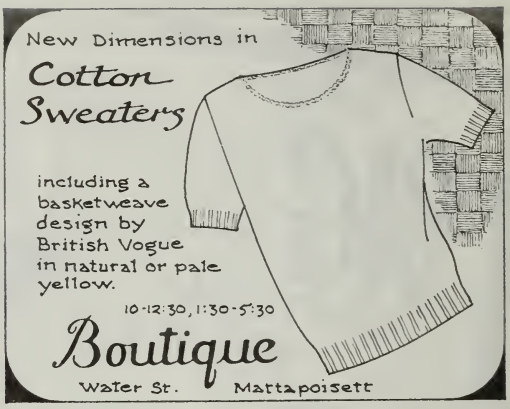
RECEIVED A LETTER from George Mallan, President of Energy Answers Corp., enclosing letters of support for reimbursement of communities' acid gas control costs. The board agreed to write to its state legislators to encourage their support so that the towns under contract to SEMASS for the waste to energy plant will not have to pay additional per ton cost for acid scrubbers on the plant.

DREW THE FOLLOWING NAMES to serve at the Criminal/Civil Session in Brockton on April 1, 1985: William B. Esancy, 70 Oliver's Lane; Stanley J. Pelczarski, 9 Captain's Lane; and Alberta M. Potkay, 6 Island View Avenue.



RECEIVED A COPY OF A LETTER sent by Building Inspector David Crook to Mr. and Mrs. Wesley Bowman, 64 North Street, in which Crook cited that Bowman is keeping his construction equipment vehicles in the open on his property. This arrangement has been challenged, wrote Crook.

Crook noted that it was his understanding the Mattapoisett Board of Appeals did rule in the past there was no violation of the zoning by-laws by Bowman. However, since that time, there has been a change in the law that would require the equipment be screened. Crook said it his opinion there exists a possible violation, and he recommended Bowman reapply to the Appeals Board as to how this change affects his property.

Mahoney Home Fuel and Gas Center). The permit shall be continued only as long as Fairweather owns and operates the business.

In the second decision, the Board granted the request of Manuel and Delia Caton, 99 Brandt Island Road, to keep three unregistered vehicles on their premises. The vehicles include a 1965 International pick-up truck, a 1962 Chevy Super antique car, and one other unregistered vehicle.

The truck and antique car must be completely screened at the rear of the house by a six foot fence of solid wood construction. The permit is good for only one year and the Catons must make application in the month preceding expiration.

Daniel J. and Maureen S. McQuillan, 5 Meadowbrook Lane were granted a Special Permit to use a secondary unit as a guest house. The present building, containing a kitchen, living room, bedroom and a bathroom, shall have no additions or exterior structural changes. If this parcel subsequently should be separated into two or more smaller lots, it will then have to conform to current setback requirements. Additionally, the permit shall continue only as long as the McQuillans occupy the premises.

A fourth request, which was made by Frederick Phillips of 64 Brown Street, Fairhaven, was denied. Phillips requested permission to build on an undersized lot on Eldorado Drive. The request was denied based on the Zoning By-Law pertaining to the provision for adequate drainage.

The Board found that an exception would be detrimental to the established and future character of the neighborhood in that it would only serve to add to a bad drainage problem already in existence.

CENTER SCHOOL

Center School is having a Book Fair the week of March 18th to 21st in the school cafeteria. The fair will be open during the day from 1:15 to 2:40 p.m. The book fair will give every child the opportunity to take home quality books at a reasonable price. Enjoyable books in the home mean better readers and better students, too.

Everyone is welcome.

Sippican Seniors

SLIDES AND MUSIC

Wendy Bidstrup will entertain the Sippican Seniors with slides and music at Thursday's meeting (March 14) at St. Gabriel's Hall in Marion.

Recently Theresa Monuteaux, coordinator, informed members of the many helpful services offered to Seniors by Coastline Elderly Affairs.

Edwin Ashley, Marion Historian, presented the group with an American Flag for use at meetings.

People needing transportation may call President Dorothy Boardman at 748-2897 or Secretary Jean Olifierko at 748-0543 who will try to arrange rides.

While Mrs. Priscilla Geary and her hostess committee serve refreshments, Eunice Manduca, member of Elderly Housing and Tabor Hall, will bring the group up to date on congregate housing.

All area Seniors are invited.

Tax Help

Individuals of any age can receive help in filling out their tax forms on Wednesday, March 27th, from 8:00 a.m. to 5:00 p.m. at the Marion Town Hall. This is a free service.

Center School

MARCH IS MUSIC MONTH AT CENTER SCHOOL

During the month of March hundreds of schools and communities across the country will join together to celebrate "Music in Our Schools Month". The purpose of this project is to focus national attention on the value of school music and to make parents and citizens aware that music is an active part of the school curriculum. The theme for this year's celebration is "Music for All Ages". To help our children understand this motto, the Center School Third Grade Chorus will be performing for the senior citizens at the Legion Hall on March 27th. The short concert will conclude with a sing-along featuring songs appropriate for all ages.

Also in celebration of Music Month the art and music departments in Center School will be joining together and exhibiting the talents of students in both areas.

On March 20th the whole school should ring with the music of Johann Sebastian Bach as we all join together to celebrate the 300th anniversary of his birth. We will enjoy his music through singing, dancing and listening as our guest instrumentalists play a few of Bach's well-known works.

All of our schools will be participating

in a joint scholarship concert on March 13th at Old Rochester Regional High School. What better way to celebrate Music Month than to have our chorus and instrumental children combine to present a patriotic favorite, "America the Beautiful".

Music Month certainly will be a busy time at Center School, But, fortunately for us, music is an important part of the curriculum throughout the year because of the encouragement and support of the teachers, principal, superintendent and the school committee.

Hunter Safety Course

SCHEDULED IN ROCHESTER

Officer Gerald Santos has scheduled a hunter safety course to be held at the Sippican Rod & Gun Club on Dexter Lane in Rochester. The first class will get underway at 7:00 p.m. on March 25th.

Each person who graduates from a hunter safety program conducted by the Division of Law Enforcement, Department of Fisheries & Wildlife, receives a Certificate of Competency in the Safe Handling of Firearms. The Certificate of Competency allows a person between the ages of 15 and 17 years, after purchasing a hunting or sporting license with parental permission, to hunt in Massachusetts woodlands without being accompanied by a licensed adult.

Many states require this training, provided without charge in Massachusetts, before they will issue any hunting license.

The Hunter Safety Course scheduled for Rochester is open to residents of Rochester, Marion, Mattapoisett and Wareham. Commissioner of Fisheries Wildlife and Recreational Vehicle Walter Bickford suggests that residents of other towns who wish to participate in a hunter safety class contact the Division of Law Enforcement, 100 Cambridge Street, Boston, MA. 02202.

Do You Know How Much Money You Really Have?

Discover The Answer With Homeowners Ready Credit℠

How much do I have?

1.	The Market Value of your home	$
2.	× 75% of that figure	× $
3.	Existing first mortgage balance	− $
4.	Subtract line 3 from line 2 to see the **LINE OF CREDIT AVAILABLE** to you	= $

As a homeowner, you can tap the valuable equity that has built up in your home. **Homeowner's Ready Credit**℠ — it's a simple, convenient way to get the credit you need — to use whenever you want. In fact, it could be the last time you'll ever have to apply for credit.

At Plymouth Savings Bank, we'll give you credit for up to 75% of the equity of your home — less the balance on your first mortgage — up to $100,000.

Using your line of credit is like okaying your own loans. Whenever you need money, just write a check. Use **Homeowner's Ready Credit**℠ to pay school tuition, fix up your home, buy a boat, or a personal/home computer. Whatever. Whenever. Fees, rates and repayment terms are reasonable, and there are no prepayment penalties or points.

Homeowner's Ready Credit℠ — easy, flexible, once-and-for-all-credit. Apply now. At Plymouth Savings Bank, you've got a houseful of credit!

Downtown Marion Parking STUDIED BY SRPEDD

The adequacy of the present parking supply in Marion downtown and its ability to absorb future parking demand was recently completed by the Southeastern Regional Planning and Economic Development District.

The SRPEDD study concluded that on most days the downtown parking supply was more than adequate, although occasional peaks did occur. To meet these peak demands it was recommended that employees of the area be encouraged to park at the Town Wharf and that customer parking be encouraged along Main Street.

Specific recommendations regarding the Town Wharf included resurfacing the portion nearest to Front Street and identifying the two rows of parking spaces parallel to Island Wharf Road. Other recommendations included maintaining the present on-street parking scheme and rewording the parking requirement in the zoning by-laws to provide that the one parking spot per 100 square feet of business space be within 500 feet of the business.

One long-term action called for by the study was the purchase by the Town of Marion

Data on the parking supply and demand was gathered in August through field work which included a parking turnover count, interviews with shop owners, and a land use inventory. The study has been turned over to the town for further action. For more information contact David D'Addario, SRPEDD Transportation Planner.

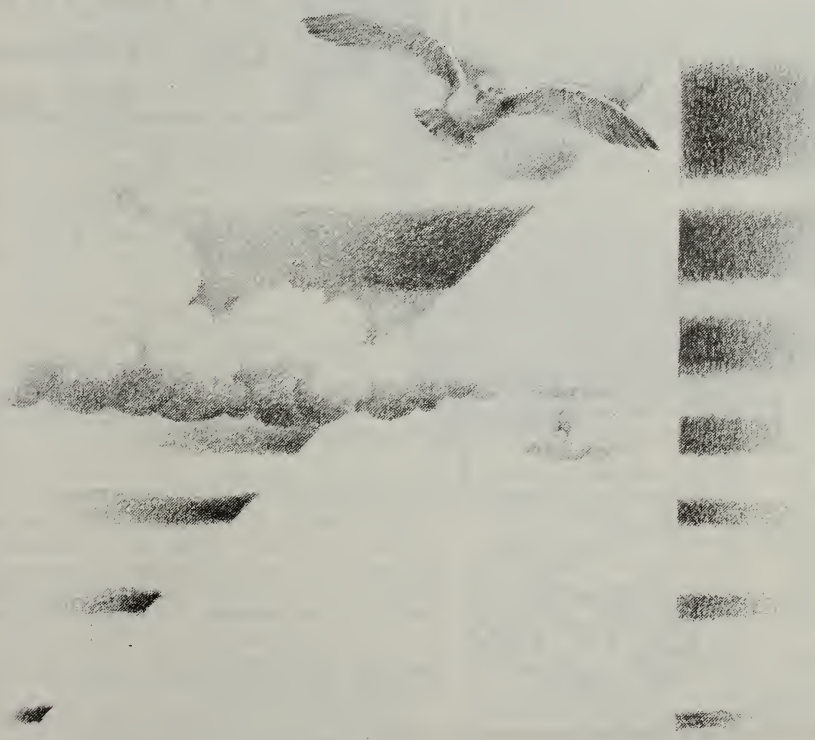
The right tack.



Our symbol—a single sail against the sky. It says something about our people and the kind of service we provide at Fairhaven Savings Bank.

It suggests a small boat, a personal way to get where you want to go. We're that kind of bank. Informal, accessible and helpful. We make it easy for you to achieve your financial goals.

It has the precise lines which reflect attention to detail. That's how we handle your business. Our service is reliable and consistent. In a word, professional.

Lastly, it reflects our community and its boating tradition—something we've been a part of for more than 150 years. We're close to our customers and responsive to local needs.

As the sail suggests, we're also moving forward to serve you better.

to Benefit Cancer Research

Paula and John Raikkonen of the Pasta House in Fairhaven, in tribute to the late Charlotte Morris of Mattapoisett, are dedicating a day to Cancer Research.

Mr. Fred Morris and his wife, Charlotte, were regular patrons of the restaurant and over a period of time the Pasta House owners and staff became their warm friends. All admired the love of life, positive attitude and unconquerable spirit that Charlotte displayed. They are inspired to dedicate a day in Charlotte Morris' memory.

On Wednesday, March 20th, sixty per cent of the day and evening proceeds of the bar and restaurant will be contributed to the American Cancer Society's Research Fund in memory of Charlotte Morris. Please join us.

Therapeutic Care, Drug Errors. There will also be a presentation of a film entitled: "If You Didn't Chart It, You Didn't Do It".

The fee is $45. which includes coffee, luncheon and certificate of credit or attendance. Six contact hours have been approved by the Massachusetts Nurses Association and by the Licensed Practical Nurses of Massachusetts.

For further information please contact Patricia A. McPartland, Executive Director of the Southeastern Massachusetts Area Health Education Center, at 748-0837, or the Office of Continuing Education at the University of Massachusetts Medical School at 856-3041.

Conference on Child Sexual Abuse

The sexual abuse of children has become a source of public outrage and dismay. Human service professionals and the public from throughout southeastern Massachusetts are invited to participate in a conference on sexually abused children and their families.

The series of workshops is sponsored in part by the Southeastern Massachusetts Area Health Education Center (AHEC), a federally funded non-profit health education organization located in Marion. AHEC is also one of the centers established at Southeastern Massachusetts University in North Dartmouth in 1982. The AHEC center is related to the Office of the President of SMU and some staffing for the university center was provided through the school.

The seminar, being held Sunday, March 31, and Monday, April 1, at the Sheraton Falmouth, will address helping the victims of the crimes of incest and intra-family sexual abuse and understanding the laws that affect them. Point six (.6) Continuing Education Units will be awarded to social workers attending the conference.

The keynote speaker will be Dr. Judith Herman, Assistant Clinical Professor of Psychiatry, Harvard Medical School and author of Father-Daughter Incest. Other speakers include health professionals from the Emma Pendleton Bradley Hospital Sexual Abuse Project.

Through the sponsorship of such timely seminars as this, AHEC continues to work toward its goal, that is, improve the distribution of health manpower training programs. It also emphasizes, according to Patricia A. McPartland, Executive Director of Southeastern Massachusetts AHEC, primary care training for both professionals and students receiving health training, and recruitment of minorities and disadvantaged persons into health manpower programs.

The conference was also sponsored through the Boston University School of Social Work, and the Division of Continuing Education along with AHEC. Both the BU School of Social Work and the Division of Continuing Education are guided by a philosophy that is "learning centered". The programs they sponsor stress information, attitude exploration, problem solving and skill development for human service professionals.

Registration is required to attend one or both days of the Sexually Abused Children and Their Families conference. The costs are $92.50 for both days; $35. for March 31; and $75. for April 1. Registration forms are available through AHEC, 2 Spring Street, Marion, MA. 02738; or call Sherdena Cofield at 353-3756.

Lloyd Center

FIELD STUDY PROGRAM

A happy group of area students recently returned from the first Lloyd Center Voyage to Acadia National Park where they participated in a field study program during the February school vacation. The students joined Lloyd Center staff member Marie Arnold and her husband, Max Arnold, an experienced outdoorsman, for an enjoyable four days of exploration of the Maine coast. The students who participated were Sharon and Kevin Silveira, Chris Cook and David Goyette from Dartmouth and Jeff Bates from Westport.

The group kept a journal and listed daily observations of wildlife such as buffleheads, oldsquaws and common loons, as just some of the many birds sighted. The success of the trip was summed up by one of the students who wrote: "We eagerly await further such expeditions!" "Yay!"

Students awoke each morning to the sound of crashing waves, chattering red squirrels and often to the sound of wood being split for the morning fire. The group explored sandy beaches at sea level and hiked birch and conifer lined trails to nearby mountain tops. Alpine plants and an inspiring panoramic view of the Mt. Desert Island and Frenchman's Bay heightened the group's

eagerness to find new and different areas to explore. Close inspection of a beaver's home and thorough searching through a few of the many caves cut in the boulder strewn cliffs provided even the most curious a satisfying time.

The Jackson Laboratories held the students' interest and inspired many questions. The complexities of a genetic research and its relation to cancer and other diseases were clearly explained and several of the special strains of mice bred at the laboratory to be shipped to international research facilities were on display. Students also toured the young College of the Atlantic campus where interest was sparked particularly in the Taxidermy Laboratory where students at C.O.A. practice and develop the skill of building and preparing natural history displays for museums. The combination of indoor and outdoor activities made the Acadia Voyage a success for the group of high school students who "gave up" their February vacation to spend an enjoyable week in Acadia, exploring the Winter Coast.

Applications are now being accepted for the Voyage to Washington, D.C./Chesapeake Bay Area during the April school vacation, April 15-19. Lloyd Center staff will conduct the group through experiences on a research vessel on the Chesapeake Bay, through the Smithsonian Institute's Environmental Research Labs, and through highlights of the Federal Government's Environmental Agencies. This five-day program costs $225.00 per student ($215.00 for Lloyd Center members) and limited scholarships are available.

Through the cooperation of the Chesapeake Bay Foundation and the Smithsonian Institute for Research, students will have the opportunity to learn and discover the complex relationships of the Bay through walking the marshes, using field testing equipment and by exploring the Bay by boat. The group will be staying at the newly renovated YMCA Camp Letts located on the Rhodes River, a tributary of the Bay. The program also includes a visit to the National Arboretum, the Capitol, the National Zoo, and on the last day of the trip, the National

Aquarium, Baltimore, Maryland.

The group will depart by van from the Lloyd Center on April 15 under the supervision of Marie Arnold, Outreach Program Coordinator for the Lloyd Center, and Richard Audet, Dartmouth High School science teacher.

Because of the close proximity of Camp Letts to the Bay and our nation's capitol, this program will be able to allow students to visit our nation's capitol and spend an extensive amount of time both in the field and on the water. The National Aquarium in Baltimore, the Smithsonian Institute in Washington, D.C. and the Environmental Research Labs of the Smithsonian are included in this program.

The Bay is the largest estuary on the east coast with over 1,000 miles of shoreline, a very large fishing industry, and is the wintering grounds for many thousands of waterfowl. In addition, Chesapeake Bay is the nursery for 95% of the striped bass which pass northeast shores in the summer.

Tuition includes all costs of instruction, all meals and lodging in heated cabins, all transportation costs and reference materials for each student. A Saturday preparation workshop will also be held prior to departure.

For further information contact Marie Arnold at 990-0505. Contributions to this program are welcome including scholarship funds. All contributions are tax deductible.

the Society's series "in praise of herbs", will be available at the program along with other herb related items. The lovely hand-pressed plates, in either clear crystal or violet, are $7.95 plus tax.

Sweet Violet joins Lavender, Sage, Foxglove and Coreopsis in this glass garden series. As an herb renowned for fragrance, the plate design features the border of hearts chosen to symbolize herbs valued for their scent. A sun and a parasol in the border indicate the violet's need for winter sun and summer shade. A violet plant in bloom graces the center of the plate. Designed by botanist Shirley Cross and engraved by Alvin A. White, the 3½" diameter cup plates are hand-pressed at the Pairpoint Glass Company on Cape Cod exclusively for the T.W. Burgess Society.

All five plates in the herb series will be available at the program.

BURGESS MUSEUM OPENS FOR SEASON

The Thornton W. Burgess Museum, 4 Water Street, Sandwich Village, opens for the season on Saturday, March 30th. The opening will feature the introduction of the new Sweet Violet cup plate, the fifth plate in a series "in praise of herbs". A unique museum dedicated to a unique individual and to nature education, the Burgess Museum exhibits a delightful collection of Thornton Burgess writings, original Harrison Cady illustrations, and natural history exhibits including a new "hands-on" discovery room for children. The museum gift shop features a variety of items selected to celebrate the natural world.

The museum will remain open daily from 10 a.m. to 4 p.m. and Sundays from 1 to 4 p.m. Admission is by donation.

events planned for the 37th season at Plimoth Plantation beginning March 30th.

Plimoth Plantation is the living history museum of 17th century Plymouth where visitors from around the world encounter the past aboard the replica Mayflower II, in the 1627 Pilgrim Village and the Wampanoag Indian Campsite.

Doorstep weddings were common in the early colony when Pilgrims were busy planting, tending and harvesting, so Mary Chilton and John Winslow will have a simple family party when they wed April 27. Juliana Morton and Manasseh Kempton will have their own doorstep wedding May 12.

The entire community will turn out to celebrate when Mary Warren weds Robert Bartlett in a traditional 17th century English country wedding in the Pilgrim Village on July 10. The all-day event will feature garland making, feasting, tossing the garter and drinking sack posset -- tradition says the sack will make the groom lusty and the sugar will make him kind.

The Wampanoag Campsite will be open daily beginning May 1 and will be the setting for a Wampanoag wedding on July 20. Two families will gather to celebrate with feasting, drumming, singing and dancing. Relatives will present gifts to the couple.

There will be intertribal trading in the Wampanoag Campsite on June 29 and sign language tours of the Pilgrim Village for the hearing impaired on April 28 and September 15. Teachers' Day is May 19.

A sunrise service will be held in the Fort on June 2 to commemorate the Tercentenary of the founding of Plymouth, Barnstable and Bristol Counties, and elected officials will tour exhibits and enjoy a picnic at the Winslow Membership House for Legislators Day.

The highlight of the year is the Harvest Celebration with the Dutch over the Columbus Day weekend, October 12, 13 and 14. Isaack DeRasieres and his entourage from the Dutch Colony of New Amsterdam arrive in New Plimoth at harvest time for a three-day visit. Feasting, sports and discussions of military alliance and trade take place.

Plimoth Plantation will be open daily through December 1. Aboard Mayflower II, docked at State Pier in Plymouth Harbor, costumed interpreters portray passengers and seamen and tell of their journey to the New World. In the 1627 Pilgrim Village, men and women portray actual colonists. They tend gardens, cook over the hearth, bake in outdoor clay ovens, construct houses and always have time for a friendly chat with a visitor.

The Wampanoag Campsite will be open daily May 1 through October 31. There, staff in-

Unclaimed Money

STATE TREASURER CRANE SEEKS TO RETURN $13 MILLION IN UNCLAIMED FUNDS

State Treasurer Robert Q. Crane today released the names of 36,000 persons who are due more than $13 million from abandoned accounts.

Under the state's Unclaimed Money Law, bank accounts, insurance proceeds, uncashed gift certificates, payroll checks, customer overpayments and the like that have gone untouched for at least five years are deemed to be abandoned. All such accounts are to be reported to the Treasurer, who then attempts to notify the rightful owners or their heirs. Last year Treasurer Crane returned more than half ($9 million) of the $18 million in reported abandoned accounts.

Treasurer Crane said compliance with the law is improving. Nevertheless, the Treasurer said he is not totally satisfied. "It is apparent that less than a sincere effort is being made by some institutions to find the owners. How can anyone fail to locate American Express, Hertz Rental, The New York Times, Boston English High School?" the Treasurer asked.

Treasurer Crane noted one important as-

WILDLANDS TRUST ANNOUNCES NEW NATURAL AREAS AND LAND SEARCH NETWORK

The Plymouth County Wildlands Trust (OCWT) has received gifts of two new natural areas in Kingston, where it now protects 40 acres of conservation land. PCWT is an all-volunteer, non-profit group which owns and manages nearly 800 acres on 19 reservations in Bourne, Duxbury, Kingston, Marshfield, Middleboro, Plymouth, Rochester and Wareham. It is a membership organization open to anyone who shares the goal of preserving natural areas for the public benefit.

A new Land Search Network has also been announced by PCWT to help identify and acquire open space that ought to be preserved in a natural state for present and future generations. Individuals from all over southeastern Massachusetts have been invited to join the network. Those who are interested in helping PCWT identify significant natural areas in their home towns or elsewhere in the region are asked to write to PCWT, State Road, RFD 8, Plymouth, MA. 02360; or call 224-3587 or 224-2765. An initial orientation meeting was held at a recent brunch for the new Land Search Network and new members will be wel-

PCWT is forming this network because protection of local lands has become a challenge for communities. Fifty years ago Plymouth County was sparsely populated. Nearly a third of its residents were clustered in Brockton. But since World War II growth and technology have dramatically altered the landscape. Population has almost tripled since 1930, and more and more land is needed for housing, roads, landfills, commercial and industrial development. The supply of land is not unlimited. PCWT, which is supported by over 300 individual members and local businesses, believes that it makes sense to set aside more natural areas now, while they are still there to be preserved.
